[Intro]

Greatness plus greatness equals great greatness

[Verse One: Bow Wow]

Unh see I know you got a man Ma
But understand he can't do you like I can Ma (Nope)
And all I'm saying is just give the boy a chance Ma
To lay ya down, I have ya screaming like a fan Ma
And yeah the plan is not to treat you like a hoe (Hoe)
But ya man ain't gotta know (Know)
Cause when it's summer time I can take you to where it
snow (Ohh)
And when it's winter time I can take you to where it
shine (Right)
So why settle for ripple when you can be having wine
(Wine)

[Chorus]

[Bow Wow:]

I ain't tryna be rude, yeah I know you gotta dude but...

Omarion:

He ain't gotta know about me

[Bow Wow:]

See we could kick it in the states
Or switch countries to play it safe (You know, you know)

[Omarion:]

'Cause he ain't gotta know about meee

[Bow Wow:]

See I can come and put it down when your nigga ain't
around

[Omarion:]

He ain't gotta, he ain't gotta, he ain't gotta

Know about meee

[Bow Wow:]

Nah we ain't the same

I ain't saying he a lame unh huh

[Omarion:]

He ain't gotta know about me

[Bow Wow Talking]

Lil Mama

Lemme just holla at ya
Look

[Verse Two: Bow Wow]

See you ain't gotta leave him
I be the nigga that you call when you need him
Yup and I'll be there for ya when he start to switch on ya
Play my role from the side line like a bench warmer
So sub me in, I ain't ya man but we can just pretend
Hit the mall girl I got enough to spend
And you could go home to him, I ain't hating him
'Cause see you just my lil secret like Xscape and them

[Omarion]

He can be your man, I'm gon' be the one
To take you out for dinner for two
And girl I understand
If he start acting up
Then I'll be there to comfort youuu
Shawty you know what it is
I can spend the night
But I gotta be gone by the morning
You ain't gotta talk to me
Ain't gotta see me
I'm every now and then like an old friend to you

[Chorus]

[Bow Wow:]

I ain't tryna be rude, yeah I know you gotta dude but...

[Omarion:]

He ain't gotta know about me

[Bow Wow:]

See we could kick it in the states
Or switch countries to play it safe (You know, you know)

[Omarion:]

'Cause he ain't gotta know about meee

[Bow Wow:]

See I can come and put it down when your nigga ain't
around

[Omarion:]

He ain't gotta, he ain't gotta, he ain't gotta
Know about meee

[Bow Wow:]

Nah we ain't the same
I ain't saying he a lame unh huh

[Omarion:]

He ain't gotta know about me

[Bow Wow Talking]

Everything we do
We keep that between me and you
Know what I'm saying

[Verse Three: Bow Wow]

Baby he ain't gotta know about the necklace
Or waking up early to that four seasons breakfast
'Cause that'll screw it up like the homies down in Texas
And tell the truth, I ain't the one he tryna mess with
So keep it on the down low or whatever you call it
Before the greatest sex have me trapped in the closet
(Nah, haha) And like I said before
Girl look I'm not a hater
So if you in we can kick it like a soccer player

[Omarion]

I can be your friend
And let him be the one to take you out for dinner for
two
And girl I understand
And I'll go right up out the back
Ain't gotta worry 'bout him catching youuu
Shawty you know what it is
That's if I spend the night
But I gotta be gone by the morning
But every time you talk to me
You wanna see me
I'm every now and then like an old friend

[Chorus]

[Bow Wow:]

I ain't tryna be rude, yeah I know you gotta dude but...

[Omarion:]

He ain't gotta know about me

[Bow Wow:]

See we could kick it in the states

Or switch countries to play it safe (You know, you know)

[Omarion:]

'Cause he ain't gotta know about meee

[Bow Wow:]

See I can come and put it down when your nigga ain't
around

[Omarion:]

He ain't gotta, he ain't gotta, he ain't gotta

Know about meee

[Bow Wow:]

Nah we ain't the same

I ain't saying he a lame unh huh

[Omarion:]

He ain't gotta know about me

[Bow Wow Talking]
I'm saying lil Mama
He ain't gotta know about nothing we do
I'm saying
He ain't gotta know about the G5 trips
He ain't gotta know about the splurge on the black card
Up in Louie Vuitton and Gucci and all of that
He ain't gotta know nothin about that
None of that shit, you know what I'm saying?
Huh, I'm saying
Look I'm like a cold I come and I go
Ha ha ha ha
Yea unh huh (Un huh)
Yeah
Let's ride
Bow Weezy
(Oh, oh, oh)
Yup O-Eezy
I'm saying
Aye Pain
You a fool for this one homie
Haha
Yeah, yeah yeah ('til fade)
