[Intro:]

Haha let's go
Yeah uh uh uh yeah
I know ya'll can hear that
Just need to holla at ya'll for a minute y'kno
Let ya'll know that I'm still here
And I'm gon always be here
Makin these hits after hit
It ain't gon stop

[Verse 1:]

I can't lose
I been in this game for too long
Ya'll ain't gonna take mine
I'm sayin
I can't lose
I'm the very best
And I'm gon be the very best for a long time and
I can't lose
Ya'll cats just waggin along my tail
Ya'll can't carry my bone
I'm sayin
I can't lose
I'm the top dawg of them all
And you know I'm takin it home

[verse 1:]

Sony plays me when I'm up in the station
All of a sudden they got me up in hot rotation
As soon as I see 'em yeah I act like I they lil brother
But I can't get no sauce on the XXL cover
That's why I call myself the man
Name me one rap cat who sold out Madison Square
(Bow Wow)
But Janet Michael
And a couple of rock acts who don't know crap about
rap
All these lil rap cats is here because of me
All them bubblegum raps is about to see
Swing on tour
Came up outta the ceiling
Teasin these girls eyes
But they was feelin over this lil rap villain

[Chorus]

[Verse 2:]

I can't lose
Don't matter who I'm facin
The number one
Under 21 artist in this nation
The rhyme writer
All the young girls like him
Fellas wanna be like him

I got 'em like Pied Piper
Follow my paw print
Whatever ya'll print in the magazines is nonsense
Stop all this
Yakkety yakkin
The fact that nobody rappin
Can stack 'em up to the ceiling
Like 30,000 a building now
You got Jigga, Ja, Nelly, Nas, Eminem, and Kiss
I'm representin for all the kids now
Say that I'm braggin
But no other rapper in my age bracket
Is makin it happen the way that I made it happen

[Chorus]

[Verse 3:]

You think it's easy don't ya
Wanna be Weezy don't ya
I'm a performer homie
You just take it easy won't ya
From Nickelodeon shows to BET
I'm approachin the podium
Vouchers votin for me
Cuz
I keep it real wit 'em
Everytime I deal wit 'em
They bounced wit me from the start
And I'm still wit 'em
I got the keys to cities I never heard of
And every inner city kid got me turned up
Wit the CD on replay
So the he say she say don't affect me
No way
I go on day to day
And continue to make money
Make music make movies
You can never take this from me

[Chorus]

[Outro:]

Aww, there you have it
Ladies and Gentlemen
Just had to talk to ya'll for a minute y'know
Spit at the fans
Spit at the people
You know what I'm sayin
Just let them know what's goin on
But uh we gon ride it out like this though
If you know it
Sing it wit me

I can't lose
