I only care for my daughter so i grind even harder
Star in my own movies and i'm not martin lawrence
I'm sitting on these niggas these boys ain't in my lane
Body on competition i don't' cross on my slamp
hot socks and some vans, telling my ain't plan
and my pig bank fine, imma bout to go HAM
Niggas still hating on me like i even really care
Got your girl in my whip she get me brain while i stare
I'm the hottest do doing it, don't let em tell you
otherwise
