And all my girlz lik girlz nigga how fly is dat

You got a lil charger I call dat belly stuntin
I'm at the hottest spots u niggas hardly there
I got it on lock like Bob Marley said
How many stacks lik yours hod dat shit aint fair
And if u wanna talk money than we can take it there
Ah I'm kinda cocky I'm stuck in my waves
I quiet rockin fittich (why)
Cuz they fuck up my waves
Ooo now dats my pretty boy swagg
So when I see u they call me Mr. always pop tags
If it aint the black card motherfucka I got pass
If a nigga talk shit about me dats his ass
No h.o.m.o betta check my m.o.
Cash money records still so so def hoe
My girl is on the west coast and she got dat cali swagg
Shittin on u bitches and my lady watch the latest fab
And she got the ladies back my 5 star chick
So u know I gotta impress her with dat 5 star dick
Cuz my chick bad badder than yours
If u ever seen yours u would say the same words
And we keep gettin movie money
The money keep piling

While these rappers buyin jewelry
I'm bout to buy an island
I dont kno wat they doin they dont do it like bow
Ten years in the game got my hataz like wow
Ah shout to columbus u know dats my town
Any city dat I go into I shut that bitch down
Yea yea u already know I live at every bank branch
Gotta keep a backpack cuz it cant fit in my back pants
