I'm lookin' for that pretty young thang  
Up in the spot, lookin' hot, playin' no games  
And she steady tryna get it crunk right from the jump  
And she ain't playin' no games

That you shawty?  
(Yeah, that's me)  
Did you come here to party?  
(Yes, indeed)  
But could you drop it down low  
When it's time to get low if so baby girl let's go  
(Come and get it boy)

They say I act old but I got that old man game  
'Cause I stay tryna find me a pretty young thang  
That I call anytime if she ready to hang  
And a slight jump off she be ready to bang

I like 'em fresh outta high school just about to graduate  
Short shirts er'day tryna show they little shape  
Low cut jump jeans hugs on her feet  
Neighborhood girl but she love the streets

In a party she da main one doin' dat right thurr  
Ev'time her jam drop hands up in the air  
And she ain't thinkin' you, she ain't thinkin' 'bout a hurr  
And if you ballin' homie she don't even really curr

She got her mind set on what she wanna do  
And she ain't come alone she got her whole little crew  
Her P.Y.T's that'll make ya head spin  
E'ry nigga in the club tryina get in

I'm lookin' for that pretty young thang  
Up in the spot, lookin' hot, playin' no games  
And she steady tryna get it crunk right from the jump  
And she ain't playin' no games

That you shawty?  
(Yeah, that's me)  
Did you come here to party?

But could you drop it down low

They got a whole lot of attitude, rap is all that they  
listen to  
Stayin' US weekly, tryna find somthin' new  
Custom I-Pods with the Rhinestone  
Nextel camera phones with all the hot ring tones

Light skin, the black little PYT's  
Boricua mami's that like to eat Mickey D's  
Always into somethin' like NWA  
Got a little bittie frame but home she don't play

You know a girl is the reason that a nigga wanna stunt  
And I'm weak for 'em homie I ain't even gon' front  
See most young nigga's like 'em older  
Not me I spot them soon as they spot me

Like specially in the summer I run up on  
'Em hit 'em with that Moss A game like baby wuz ya  
phone number  
Where ya live at? Shawty what part of town?  
'Coz I just wanna be down

I'm lookin' for that pretty young thang  
Up in the spot, lookin' hot, playin' no games  
And she steady tryna get it crunk right from the jump  
And she ain't playin' no games

That you shawty?

Did you come here to party?  
(Yes, indeed)  
But could you drop it down low

Pretty young thang repeat after me  
Say na, na, na  
(Na, na, na)  
Na, na, na, na  
(Na, na, na, na)

Say pretty young thangs repeat after me  
Say na, na, na  
(Na, na, na)  
Na, na, na, na  
(Na, na, na, na)

I'm lookin' for that pretty young thang
