Do it for the ladies baby

Shawty so bad  
Shawty so fly  
Just wanna get to know  
Don't wanna take up your time  
Baby what you drinking ?  
Shawty I'll buy that  
I'll buy the whole damn bar  
Gotta black card girl they can't deny that  
Got a feeling that you coming on  
Gotta be faithful 'cause she got a man at home  
And I ain't tryna knock that  
Ridin' with the top back how you gon' top that  
Because you rollin' with a baller  
Hit the mall whenever you wanna  
And everything on me  
Right here is where you need to be

[Chorus]

See a lot of ladies in here but I only want you girl  
And when it's time to go I'm leaving this club with you  
girl  
I wanna take you home get you all alone  
It's just us baby we can be grown  
And I'm down for whatever she down for whatever  
Well baby let's get it on.

[2nd Verse]

Now we back at the condo  
Sippin' on ciroc now  
Shawty is you comfortable  
'Cause I'm bout to pull your top down  
Sorry I'm man-ish  
Working with a monster can you handle it  
Baby I know you got it like a pro  
Get on top drop it real slow

'Cause I can change your life  
All in one swipe  
She tell me she ain't met a man who can treat her right  
But lemme say you're done looking after tonight

Cancel that nigga you don't need him in your life  
Because you got me size gon' be  
You aint gotta pay everything on me  
Told you right here's where you need to be  
She fucking with the team...CMB.

[Chorus]

See a lot of ladies in here but I only want you girl  
And when it's time to go I'm leaving this club with you  
girl  
I wanna take you home get you all alone  
It's just us baby we can be grown  
And I'm down for whatever she down for whatever  
Well baby let's get it on.

[3rd Verse]

I know what you thinking that this is just another one

And I know that you think that all man are the same but

It's hard for me to keep my hands off her 'cause she so

[Chorus]

See a lot of ladies in here but I only want you girl  
And when it's time to go I'm leaving this club with you

I wanna take you home get you all alone  
It's just us baby we can be grown  
And I'm down for whatever she down for whatever  
Well baby let's get it on.
