royal rumble nigger, my crew love to fight rums looki'n
in hair grease road kill ya you niggers just dead meat
cats act hard till the bitch come out
now what happened to that tough shit you was talk
about?
new ablum date now i got more time to shit on your
rappers
any time i feel like yeah, we don't associate with
snitches
we can keep your mouth shut, it may require a couple
stitches
hit the campus go scoop up skylar diggins have a ride
in my ferrari, let me show you how i'm living
i'm in the spot where is roudy talk crazy, homie
you don't wanna get â€¦ you don't confuse a â€¦ as a
audi
getting head while i'm dumping weed ashes off my
balcony
and if i ain't top 7 then would you break me ass?
because they rhyme softer than a baby ass
shit i'm sorryâ€¦ shit i had to do it
i easy â€¦ whip, that mean my shit is roofless
i'm wassup man, beat the shit out the bitch
it might need a cut man, bleed
i'm just a cool ass nigger, but don't let these green
eyes fool you my nigger
so that means don't pop off, fuck around like your top
off
you hear me son?
i'm as real as they come
and i ain't even no gangster, at least im cool to admit it
because there's so many fake ones
niggers saying i'm hot, but i knew that already
i'm just trying to do me, these niggers still wanna test
me
bars so cold, they need to unthaw
since they be calling me a snoop dogg, homie, i've
been raw shit

hey hit yonkers then i'm fucking with kiss
but if i'm not, i'm at the trump towers, knocking you
bitch
There's only couple ni**as doing it-me, Wale, J. Cole,
Meek Mill, Big Sean, Machine Gun Kelly/ Can't forget
about my ni**a Kendrick, and for the ni**as I ain't
mention, shit, I ain't dissin' at all
warrup homie, what it do, bro
replace my old women shit with my new hoes
you know how it go i'm still underrate
me and my niggers ball harder than gary Payton
i hear what they say, yeah i'm a little crazy
blackberry kush they got me feeling lazy listen to
shade 45 in the ride bad bitch by my side
YMCMB till i die, â€¦ yeah
