Me, I'm kissin this bitch, you know I'm certified homie  
A couple thou on my pocket so when it's time to act

We in the craziest spots, I ain't gotta tuck in my

Smoking the finest, my flow so sick, go and vomit it  
I ain't gotta tell you muhfuckas wizzles I prop

[Hook:]

From Ohio to Yonkers  
Bow and Kiss got the streets going bonkers  
You know me, pullin up and stuntin foolish  
A lot of niggas in the game but they don't do it like we  
do it

[Verse 2:]

I'm on my JOB, but I'm self-employed  
All that hollin they doin, tryna makin them noise  
And we don't talk, they can't fade us, me and my nigga  
Jada  
See 2 things you don't mess with  
(What's that?) my kid and my paper  
From the south to the east, they know the boy is a beast  
They sayin that I'm the truth  
Boy that's the word on the streets  
And if you ask em who got it right now, they'll tell you  
it's me  
D Block and YMCMB, homie who hotter than we?

Just the sound of my voice will get you out of yo seat

Just bad bitches and smoke that's coming out of the
