All you ladies pop your booty like this
Pop pop your booty like this
All you ladies pop your booty like this
Pop pop your booty like this
Do it do it do it pop your booty like this
Just do it do it do it pop your booty like this
I got a! then a lay, yea, they poppin'™
She from county but her brother gangbangin'™ call it
Bob cuz she a
Superfreak, certified pro
Hard for her to talk cuz my dick all down her throat
Aw, damn it's a mouthful
Going all night, I'm up for Molly and a Redbull
Neh, can you dance like a stripper?
Money real long and anything for me to tip her
Like J Lo, Shorty from Vallejo
She got them booty track but it feel like Plato
She go the ham on it, yea in a porn star flick
Then I pull out, put your real sound lover
Lemoniscin'™ this, don't need another baby
mother
Gotta keep it playa, jail know me
One time then I pass it to the homie
All you ladies pop your booty like this
Pop pop your booty like this
All you ladies pop your booty like this
Pop pop your booty like this
Do it do it do it, pop your booty like this
Do it do it do it, pop your booty like this
I got a chick named Keisha, a Keisha be with it
I measure her waist, it's like 27 inches
Uh, and you realest or the billest?
Y'all ain't thick and your hood got like 20
somethin' snitches
Back to the oh, pop back town
You're fuckin' you a pro, girl
Shot that rookie
I fuck with a roll on a day to day basis
Win strings in my shirts on my day to day laces
Put your O! face now put your O! face
But don't aks why I taste
I don't aks what's your race

I just fuck and pass it to Ace
Yea, like bam bam get it get it
Like bam bam get it get it
She like "œdamn are you fuckin'™ finished?"
And she just another chapter in my book
I™ m like Floyd Mayweather, I hit "em with the hook
All you ladies pop your booty like this
Pop pop your booty like this
All you ladies pop your booty like this
Pop pop your booty like this
Do it do it do it, pop your booty like this
Do it do it do it, pop your booty like this
I gotta beat it raw, beat it good, beat that that like a lion
you should
I eat it raw, eat it good, eat that that just like I should
Well I beat it raw, eat it good, I beat that pussy like a
hot boy should
I eat it raw, eat it good, beat that pussy like a Bow Wow
should
All you ladies pop your booty like this
Pop pop your booty like this
All you ladies pop your booty like this
Pop pop your booty like this
Do it do it do it, pop your booty like this
Do it do it do it, pop your booty like this
