ohhhhh,ohhhhh,ohhhhhhhhhhh

dirty south, dirty south  
c'mon, c'mon, c'mon

all young girls beware  
this pup's off the chains  
im gritty lil sumthin  
now puttin down pains  
since i was six  
runnin wit the pound  
its been goin down  
im takin the city  
town to town  
they runnin up screamin my name  
runnin up, grabin my chain  
runnin up tryna get in the game  
im like "ma dont get it twisted if we kick it get yo bark  
on"  
hope to god you see me again when im grown  
type of playa but it aint  
it just sounds like dat  
cuz im just to young to get down like that  
hit the movies, hit the mall, then cum out wit big bags  
next day do lunch then head to six flags  
but it dont mean nothin  
we just havin sum fun  
even though i may have told you on the ride you're the  
one  
im sorry lil shorty i gotta take dat back cuz im just too  
young to get down like dat

ohhh!

(chorus)

(you cant hear me)

not a word that i be sayin to you  
(its plain to see)  
girl i just be playin wit you  
(girl you and me, see its just puppy luv)  
rock on baby, rock on, rock on

(repeat 1x)

even three years older then me  
and call yo self noticin me  
in my mind, set dont change, i might  
up my game  
but the story that tellin, when i tell it, it remains the  
same,yeah  
you wouldnt believe  
how they be comin at me  
steady, steady tryna throw something at me like ima  
get happy  
just because honey got her learners permit  
can come and scoop me after school  
like im supposed to be on it  
naw aint no sippin over here  
just big pimpin over here  
and i hope dat i make myself clear  
that when it it comes to honeys yo i got sum minutes  
and i aint tryna get serious till im up in my 20's  
its just the paper that im after  
the drop with the top ima cop when im able,  
dats all dat matters  
so if i told sumthin shorty  
im takin dat bak cuz im just too young to get down like  
dat

ohhh!

(you cant hear me)  
not a word that i be sayin to ya  
(its plain to see)  
girl i just be playin wit you  
(gurl you and me, see, its just puppy luv)  
rock on baby, rock on, rock on  
(repeat 4x)
