Ah hah hah
(Show time)
Shake it two time
Shake it one time, shake it two time
Shake it one time, shake it two time

Shake it one, two, two, one, one, two, two, two
One time, shake it two time
Shake it one time, shake it two time
(Ladies)
Shake it one time, shake it two time
Shake it one time

Let's shake it one time, baby, your two times, baby
I'm Bow Wow, you know how I do now, baby
A new style, and I got a new sound, baby
In my wrist, ear, neck, bling
(Plow, hah)

Easy on 'em, they sayin' be easy on 'em
I'm sayin' be Weezy, don't be playin'
I'm too freezy on 'em, I'm frozen
'Cause VBs on 'em, float with the TV on 'em
Floatin' the GT on 'em, floatin' like Jesus on 'em

They gonna go on and more on much murder
You can't resuscitate him
Who's fatal for hate forsaken, I keep the ladies waitin'
I keep the ladies paintin' and drippin' and change 'em
When I'm trippin', grippin' the grain and switchin' up
lanes
I make 'em shake it

One time, shake it two time
Shake it one time, shake it two time
Shake it one time, shake it two time
Shake it one, two, two, one, one, two, two, two

One time, shake it two time
Shake it one time, shake it two time
(Ladies)
Shake it one time, shake it two time

Shake it one time

Shake it for me, momma, all around like you never
shake

Shake it for me, momma, off the ground, make you
levitate

I get you so wet, bet you I make your levy break
(Drop it, dr-drop it, dr-drop it)

Yeah, 'cause I'm a heavy weight

Flyin' up to levitate, baby, so I don't ever hate

I pop it off in there, stay, baby, so I don't ever wait

Money's not a problem, lil' mama but I don't ever pay

Just wrap it up and shake your body like a Chevrolet

Impala, and you can smell the polish

The whip be stylin' like I took it to the beauty parlor

You know how we be right, this time I brought my
partner

They call me Lamborghini Moss, Swizz the monster

I say one time, shake it two time

Shake it one time, shake it two time

Shake it one time, shake it two time

Shake it one, two, two, one, one, two, two, two

One time, shake it two time

Shake it one time, shake it two time

(Ladies)

Shake it one time, shake it two time

Shake it one

If you got your head done shake it one time

(Hey)

If you got your nails done shake it two time

(Hey)

If you keep your feet done shake it three times

(Hey)

If you don't need a man shake it mo' times

If you got your head done shake it one time

(One time)

If you got your nails done shake it two times

(Two times)

If you keep your feet done shake it three times

If you don't need a man shake it mo' times

One time, shake it two time

Shake it one time, shake it two time

Shake it one time, shake it two time

Shake it one, two, two, one, one, two, two, two

(Yeah)

One time, shake it two time
Shake it one time, shake it two time
(Ladies)
Shake it one time, shake it two time

(Drop it, dr-drop it, drop it, dr-drop it)
