Chorus:

Your girlfriend is saint and sane, you deserve better,
Don't listen to the ... you know that they are jealous!
Put a ...in my lover, more than a friend,
I'll do whatever for her, cause she's wicked to the
game.
Ah, man! She got it goin' on!
I do love her forever, ever, for better, better!
Some patience....

Ah, I think I found love,
I was lost for a minute, until I found her.
She's my everything, she know it,
On Fifth Avenue we blow it, ...she, I don't mean to brag!
Anything she want, she know daddy will get it,
Screaming out my name, every time I hear it,
She smoke too, but no ..
unlike tense bitches, she ain't out,
He run around, she's out here in Venice,..
Hit the strip club and throw that dough,
We we're a perfect bitch, like Kodak, yow!

Chorus:

Your girlfriend is saint and sane, you deserve better,
Don't listen to the ... you know that they are jealous!
Put a ...in my lover, more than a friend,
I'll do whatever for her, cause she's wicked to the

For you I'll give it all up,

No brag to your friends,
To tell them what I ...

Whatever you want,
Girl you know I got you!
She let me cause my ego is as big as my wallet!

Chorus:

Your girlfriend is saint and sane, you deserve better,
Don't listen to the ... you know that they are jealous!
Put a ...in my lover, more than a friend,
