I know you see me looking  
Ima pull up to your bumper  
you know Im bout to ask ya shawty  
tell me whats yo number?  
and we aint gotta tell nobody  
keep it low key  
Nuvo got her got her twisted  
she cant keep her hands off me  
I know she wanna f-ck, wanna f-ck, wanna f-ck  
I know she wanna f-ck, wanna f-ck, wanna f-ck  
I know she wanna f-ck, wanna f-ck, wanna f-ck  
you know she wanna fuck, wanna f-ck, wanna f-ck

thin waist, cute face  
lets leave the club go back to my place  
let that leggin down on top of the covers  
and we can go all night (sh-t) I got hella rubbers  
I-Im deep in it, you like it dontcha  
I f-ck her good like a real G supposed ta'  
B-break you off, take it off  
hit that pussy smoke a blunt and then I doze right off  
she kinda hood, she got some class  
turn on that (?) as my hands grippin' on that ass  
Oh yea its goin' down  
Im all yours  
grippin' on the sheets Im f-ckin up the headboards

I-Im rollin up  
give me a minute  
I take a poof then Im back in it  
Dim lights I set the mood  
and when I go down she dont know what to do  
she know why  
got plenty hoes  
but that dont stop her from f-ckin' with me though  
She love a n-gga, infatuated  
and its so good that I can barely take it

talkin' dirty, I got her wet  
hittin' all yo spots, especially yo neck  
I pipe her down, I get the job done  
quit all that playin baby, Tryna cut some

I know you, I know you, I know you wanna touch  
shawty cute, trip  
I know you want me  
tell me whats the deal  
I know you wanna beat at the VIP  
wit a CMB Bow Weez

I know you, I know you, I know you wanna touch  
shawty cute, trip  
I know you want me  
tell me whats the deal
