In the beginning things was cool,  
... school,  
I got played in the ... have me lookin' like a fool,  
God she will be the one, different from other others,  
What we shared it was more than a ..  
Told me not to trust in she,  
I was young, I was dumm, I said to pay attention,  
I guess this I deserve for not listening,  
I imagine you being my wife  
Don't understand how you can say you love me when  
you ..in my back twice  
You ...me for life wasting time are you ..when you're  
wrong and I'm right,  
Girl you..,  
So pack your bags, you can leave cuz what a nigga  
need is a girl care for me,

Chorus:

I thought I had it all, she got it to take some money in  
the fancy cause  
Tell me this is ain't love cuz as soon as I got ..she  
started I can front  
Shouty isn't in love with me, she's in love with my  
money.  
I thought I had it all, she got it to take some money in  
the fancy cause  
Tell me this is ain't love cuz as soon as I got ..she  
started I can front  
Shouty isn't in love with me, she's in love with my  
money.

Are you miss lean me, play me, miss with my emotions,  
Not she's cut up in the fast .. I can get this girl to act  
Runnin' love with the line like I catch up with the ...  
Now she get to the club hanging out with all the ball  
players  
Gucci, Louie ... she want, is the finest things,  
Roll ..trackin to a money brings,  
Love is blind ...fingers threating me that if I left the  
shoe the ...wasn't nigga.

[Chorus:]

I thought you need me girl, I thought you love me girl  
But you used me baby, yeah, I don't want your love girl  
no more.

I thought you need me girl, I thought you love me girl  
But you used me baby, yeah, I don't want your love girl  
no more.

[Chorus:]
