T. Waters:

Spalsh!

when waters get on that ass

its gone feel like you drunk on gallons of ????

and if you still borrowin money and callin cabs

im on the drop where it aint hot what do we call that -2x

you aint built like me so fall back

99 pounds of weed warren sapp

Cincinnati bangle chevy orange and black

put money on ya head they doin it for a stack

fuck bitches and i aint fallin back

fuck snitches i aint fuckin with a rat

beat that nigga with a baseball bat

cant be hatin like fuck that nigga he aint all that

diamonds in my piece of chain worth at least a key cane

ridin with alicia she a freak and she gone scream my

name

that nigga waters for that nigga bow wow

wet a nigga he gone need a towel

Bow wow:

i keep at least ten stack under my dungarees

all black lambo interior bumble bee

niggas still hatin im bow but they hoes lovin me

couple m's in my account im livin lovely

b to the o to the weezy

i puts on for my city like jeezy

Columbus nigga and you damn right i run this nigga

money bow who you think you out stuntin nigga

say you gettin money now show it

L B Dub gang we be ballin like Genova

dont trust everybody everybody aint ya homie

looked in the mirror and this is hwat it told me

stunt on you niggas from monday to saturday

ball everyday aint no cap up on my salary

half man half dog nigga check the blood line

rolex talkin to me say bow its you time

i know
