Body rappers, murk them all
We attract more hoes than a shopping mall
Shit my money talk, yeah nigger
You talking to the prince Big Bow nigger
Cash money over everything
I took my show money and I bought me a bigger chain
Yeah I'm 24 but I'm feeling 35
I wish that I can live forever cause I'm scared to die
I could have stayed with Snoop
I wonder how that could have been
Probably gang banging getting active like the rest of
them
Cause I didn't seen it all, shit I ain't done the most
And all I do is get bread and I ain't talking toast
Yeah, I do it B.I.G. like Paul or Wallace
You niggers all garbage
Shit, a young boy got it on smash
Keep a half of mill in the crib
That's my emergency stash

[Chorus:]

They be like Bow where you been?
Shit, I've been getting paper
Mind on my money, middle finger to them haters
I'm still riding big brims, talking 24's
Damn shit, they don't make them like me no more

Who fuckin with me? Who fuckin with me? [x5]

All I do is ball, check the highlights
Shawty fuck me good, and her hair right
Who fuckin with me, shit, nobody
Young Hugh Hep from scooping all the young hotties
Shit I hardly sleep, cause I'm hard worker
And when I reach the top just tell me that I will deserve
it
Now what you niggers earning? I bet it's petty cash
I make your girl get wet like the Levis crash
YMCMB, better think twice before you send your shots
at me
Bitch tendency you got a problem coming holler
shooting straight at me

These rappers lie, they be talking shit
How you selling dope when you ain't never saw a brick?
2 ounces in a jay got me super high
I never took a loss, so don't confuse me with these
other guys

[Chorus:]

They be like Bow where you been?
Shit, I've been getting paper
Mind on my money, middle finger to them haters
I'm still riding big brims, talking 24's
Damn shit, they don't make them like me no more

Who fuckin with me? Who fuckin with me? [x5]

I do this shit, ain't no stopping me homie [x4]
