(Feat. JohnTa Austin)

Uh Uh Uh,

Got me like.

Wooo-hooo

When i think about you

Thats the first thing that come to my mind.

Im like

wooo-hooo

Baby you can get it all,

you can get it all

you can get it wooo-hooo

When i think about you

Thats the first thing that come to my mind.

Im like

wooo-hoo Shawtie you can get it all

you can get it all

I know you heard my reputation

You dont think i would ever do right by you

You think that if you and i was in a relationship

I would never be true (be true)

You think that anything i say is straight game

and to me your just another new name

But what im tryna tell you for every man

theres a woman that'll make him change

And i believe you the one that'll make me

but any time i try ta show you you shake me

I know i make it real hard for you to take me serious

but baby girl i am (i am)

And i aint stoppin right here, ima keep going

And im gona make sure everyday tat you keep knowing

Weather if i have to send you flowers

or talk to you on the celle-phone for few hours

im yellin like..

Wooo-hooo

When i think about you

That the first thing that come to my mind.

Im like

wooo-hooo

Baby you can get it all,

you can get it all

you can get it wooo-hooo  
When i think about you  
Thats the first thing that come to my mind.  
Im like  
wooo-hoo Shawtie you can get it all  
you can get it all

(One, one, one, one)  
One minute you act like you like me  
and then the next you dont  
You still sending me crazy emails  
Like i know its just sex you want  
I cant lie the sex is truly incredible  
And every part of your bodys so edible  
I get tears from just thinking bout it  
But that aint the reason why im stuck and cant let you  
go  
We got a serious serious bond  
And when we kick it we have nothin but fun  
I feel a whole lot of L-O-V-E between you and me  
even though we still younge  
Just your company aint gota get none  
Talk the same lingo, understand where im coming  
from  
and if anybody ask me a question about you  
ima tell em you the one  
You got me like

Wooo-hooo  
When i think about you  
That the first thing that come to my mind.  
Im like  
wooo-hooo  
Baby you can get it all,  
you can get it all  
you can get it wooo-hooo  
When i think about you  
Thats the first thing that come to my mind.  
Im like  
wooo-hoo Shawtie you can get it all  
you can get it all, you can get it

As long as you know that  
i can have any girl i want to  
Baby that sexual infectual  
but still i choose you to be  
with me and were gonna  
so you better not break it up  
You got me like

Wooo-hooo

When i think about you  
That the first thing that come to my mind.  
Im like  
wooo-hooo  
Baby you can get it all,  
you can get it all  
you can get it wooo-hooo  
When i think about you  
Thats the first thing that come to my mind.  
Im like  
wooo-hoo  
Shawtie you can get it all  
you can get it all, you can get it
