Listen

I usually don't do this

Well, not all the time

But, for you

Prince of the O town

She know what's fittin' to go down

Prince of the O town

You know what's fittin' to go down

She said that she

(She said)

Didn't want to be just another girl

(I said)

And I don't wanna go unless she lives with me

(Well let's go)

Baby I ain't feeling another girl

You're the only girl

You know my swag soon as I walk in, fresh

Was all on flash I was so sparkling, click

When I walk past there they go talking, ha

They want me I do not want them, nope!

Ma, I seen you since you stepped in, damn

You're such a princess you need to be with a
prince then, me

I'm so turned on by your body dimensions, woo

Sub me out maybe O you can convince her

You got your mind set

Girl you the finest

Its perfect timing

I just wanna grind it

She said that she

(She said)

Didn't want to be just another girl

(I said)

And I don't wanna go unless she lives with me

(Well let's go)

Baby I ain't feeling another girl

You're the only girl

Lil mama let me holla at ya
I spent all night baby trying to impress ya, yep
What I gotta do to let you know that you're special
I don't want to make it seem it's just
sexual but
I really really really wanna undress ya
Don't you worry 'bout what the rest do
A couple tried to pull me to the restroom
So hurry hurry hurry come to the rescue
'Cause you're the only one I want to be
next to

I had my mind set, yeah
Since our eyes met, yeah yeah
Girl you so fine yeah, damn
Wanna get inside it

She said that she
(She said)
Didn't want to be just another girl
(I said)
And I don't wanna go unless she lives with me
(Well let's go)
Baby I ain't feeling another girl
You're the only girl

So come on girl
You should be in my drop in fact you should be on top
If you don't, I'll be lonely
And if you don't, I'll be so lonely girl
I'll probably leave the club alone
But I want to take you home
Ain't no other girls in here, I say
Girl I only want you

She said that she
(She said)
Didn't want to be just another girl
(I said)
And I don't wanna go unless she lives with me
(Well let's go)
Baby I ain't feeling another girl
You're the only girl

So come on girl
If you don't, I'll be lonely
Said I'll be lonely
I need someone to hold
Can I hold you?
Girl I only want you

She said that she
(She said)
Didn't want to be just another girl
(I said)
And I don't wanna go unless she lives with me
(Well let's go)
Baby I ain't feeling another girl
You're the only girl
