[Intro:]

[Bow Wow]

Hey man this what the world've been waiting on dawg

[Omarion]

New beginning my nigga

[Bow Wow]

Prince of the rap game you know

Me bow weezie

The ambassador omarion

Dig that homeboy

you niggas ready

[Bow Wow]

I squeeze the life out of the game

So call me python

Nigga I transform when they turn the lights on

Mic on ice on yeah gets my shine on

Mr. money ain't a thing

Junior with Omarion

[Omarion]

and I confess that I'm feeling myself

I confess that I'm winning through wealth with money
under my belt

So much R&B fever that my show can be shelved

I'm lost in the flow I can't be helped

[Bow Wow]

I got a swag that can't be cloned

Got a Benz and a Bentley and a lac and a jag all
chrome

I'm a boss watch your mouth boy (who you think talking
to)

The hood love what I do (fuck you think talking to)

Respect what I does

[Chorus (Omarion, Bow Wow):]

We live the life of a hoodstar

'cause your boy nice with it

Girls line up at the bar (at the bar)

That's 'cause I'm nice wit it

Forget the price get it

They talk it but we live it
They talk it but we love it
the definition of nice
[repeat]

[Bow Wow]

Look I can't describe how I feel man
It's like everytime I breathe I make a million
Shows we can back them out
Money come in large amounts
Balling till we fall nigga
Yea what I'm talking about

[Omarion]

Screaming like guns started poppin in the club
Only thing poppin is bottles filling my cup
When we step on stages like the twin towers are blown
Fire in my eyes ice in my veins its on its on

[Bow Wow]

Aye the pimp game is ruthless phantom roofless
Young bow weezie
Defintion of what the truth is
I'm everywhere the money be
Everywhere the honeys be
you looking at the real shit
Other niggas wannabe
Columbus to la
you lames know just how we get down
Go to any city and we shutting down your whole town

[Omarion]

We young with it and cocky

[Bow Wow]

Yea we the problem dynamic dou
But not Batman and Robin

[Omarion]

I got a swag that can't be matched
Got a house in the hills and it looks like a carshow in
the back
I'm a boss boy (who you talking to)
The hood love what I do (fuck you think you talking to)

[Chorus (Omarion, Bow Wow)]

[Bow Wow]

I'm saying man this what we do
you know what I'm saying
24/7 365

The definition of nice
You know
They talk it but we live it
They talk it but we live it
The definition of nice

[Chorus (Omarion, Bow Wow):]
We live the life of a hoodstar
'cause your boy nice wit it
Girls line up at the bar at the bar
That's 'cause I'm nice wit it
Forget the price get it
They talk it but we live it
They talk it but we live it
The definition of nice
(nice, nice, nice, nice, nice)
