I ain't neva had nobody show me all the things that you  
done showed me  
And the special way I feel when you hold me  
We gone always be together baby that's what you told  
me  
And I believe it 'cause I ain't neva had nobody do me  
like you

Now I done been with different kind of girls  
Like I done seen 'em all but ain't none of them at all like  
you  
And I done seen the best of the best  
Baby, still I ain't impressed 'cause ain't none of them at  
all like you

If you know how I feel when I chill  
If I'm seen with a girl then she gotta be just like you  
And baby that's the way I feel  
And I got no choice but for me to keep it real

'Cause when we first got together started hanging out  
you was  
Skeptical at first had to figure out if  
I was the kind of guy to try to dog you out but  
I ain't that kind of guy you tried to make me out

You found out when you turned into my baby  
I showed them other brothers how to treat a lady  
I let you drive when I ride that Mercedes  
And I ain't trippin' or actin' shady 'cause baby you know

I ain't neva had nobody show me all the things that you  
done showed me  
And the special way I feel when you hold me  
We gone always be together baby that's what you told  
me  
And I believe it 'cause I ain't neva had nobody do me  
like you

And every time I think about you, I cry  
When you ride when you call when you come I ride  
Your love is a-mazing to me

Can't wait 'til I see you, I wanna be wit you again

And every time you're out on the road, I make a trip  
And whenever I'm doing a show, don't you forget  
That I'm your main chick, who got that game chick  
One and the same chick, the one you can hang with

I ain't neva had nobody show me all the things that you  
done showed me  
And the special way I feel when you hold me  
We gone always be together baby that's what you told  
me  
And I believe it 'cause I ain't neva had nobody do me  
like you

Okay, when you hit the mall pop tags spend a few G's  
jazin'  
Hit the runway to a new season, season  
It ain't nothin' it's you the one I care for  
Feel like I ain't doing enough that's when I share more,  
share more

I give you this give you that what you need love, love  
You know I got it holla at me if you need love, love  
And affection cause I'll be your protection  
Kinda hard job but I'll do it to perfection

And you can tell that I ain't tryna let you go  
I get with you when I can so that's how I let you know  
And you be trippin' 'cause sometimes I gotta go  
But you the first one I hollered to right after my shows

And I was trippin' in a sense I was tense  
From my body loose around you what I'mma do without  
you  
I gotta get it together say whateva  
Since I met you my life seems so betta

I ain't neva had nobody show me all the things that you  
done showed me  
And the special way I feel when you hold me  
We gone always be together baby that's what you told  
me  
And I believe it 'cause I ain't neva had nobody do me  
like you

I ain't neva had nobody show me all the things that you  
done showed me  
And the special way I feel when you hold me  
We gone always be together baby that's what you told  
me

And I believe it 'cause I ain't neva had nobody do me  
like you
