This what you need to do, girl
So So Def

I been watching you for a minute
Come through here, some sweets in it
Ya life, girl, ya need me in it
I'm determined to win it

I know what you need
I know what's wrong
I know how to make it tight
Everything will be alright if you
(Let me hold you)

I introduce you to my world
Introduce you to the better side of life
That you ain't been seeing girl
I'ma show ya where it's happening
I'ma show ya how to get it
All you gotta do is be wit it and
(Let me hold you)

Down like a real man's supposed to
I never woulda approached you
If I ain't have intentions of doing good
See, dude you with is so fool
To me, girl, you're so cool
And all I'm asking you to do
(Let me hold you)

Down like a best friend, two homies in a gang
When you cry, I wanna feel your pain
No secrets, no games
Call me psychic, never playing
Keep ya happy, that's my aim
And all you gotta do girl is
(Let me hold you)

In my arms, in my mind all the time
I wanna keep ya right by my side
'Til I die, I'm gonna hold you down
And make sure everything is right with you

You can never go wrong if you let me hold you down
(Let me hold you)

Down like a real friend's supposed to
Try to show you the life
That somebody like you should be living
Oh, baby, baby, you never go wrong if you
(Let me hold you)

I'ma keep you up on what popping
And shake you fresh to death
We hit the mall, we gon' ball 'til there's no more left
I know you ain't used to it
But you gon' get used to it
'Cuz that's the only way I'm gonna do it now let me
(Let me hold you)

All the homies think I'm tripping
'Cuz I got you a pair
See they just mad 'cuz they ain't get you
They ain't get you, Scorpio, that's yo sign
And girl ya so fine and I will do whatever in no time
(Let me hold you)

No shine is what you coming with
But I'ma change all that, rearrange that
Put you in the Range, all black
With the rims that match, phone attached, TVs in the
back
How you gon' say no to that, ma?
(Let me hold you)

Niggaz look at me like, "Man, here you
go"
Really 'bout to bust the door
Hey, nobody there before
So why you is you so cold?
'Cuz I believe this was meant to be
I just gotta work at it
Like a crack addict stuck in rehab

In my arms, in my mind all the time
I wanna keep ya right by my side
'Til I die, I'm gonna hold you down
And make sure everything is right with you
You can never go wrong if you let me hold you down
(Let me hold you)

Down like a real friend's supposed to
Try to show you the life
That somebody like you should be living

Oh, baby, baby, you never go wrong if you
(Let me hold you)

Down, down, around Atlanta, Atlanta fo-found
Everybody know now what I'm trying to do
I say, down, down, around Atlanta, Atlanta fo-found
I'm just trying to get you to

Down, down, around Atlanta, Atlanta fo-found
Everybody know now what I'm trying to do
Down down, around Atlanta, Atlanta fo-found
I'm just trying to get you to
(Let me hold you)

In my arms, in my mind all the time
I wanna keep ya right by my side
'Til I die, I'm gonna hold you down
And make sure everything is right with you
You can never go wrong if you let me hold you down
(Let me hold you)

Down like a real friend's supposed to
Try to show you the life
That somebody like you should be living
Oh, baby, baby, you never go wrong if you
(Let me hold you)
