SR-71 - 1985

Wooohoox4

Debbie just hit the wall  
She never had it all  
One prozac a day  
Husbands a cpa  
Her dreams went out the door  
When she turned 24  
Only been with one man  
What happened to her plan?

She was gonna be an actress  
She was gonna be a star  
She was gonna shake her ass  
On the hood of White Snake's car  
Now her SUV has become the enemy  
Looks at her average life  
Nothing  
Has been  
Alright

Since Bruce Springstein  
Madonna  
Way before Nirvana  
There was U2 and Blondie  
And music still on MTV  
Her two kids  
In high school  
They tell her that she's uncool  
'cause she's still preoccupied  
With 19 19 1985

She's seen all the classics  
At least a hundred times  
Breakfast Club, Pretty in Pink  
Fast Times at Ridgemont High  
She rocked out to WHAM  
Not a big Limp Bizkit fan  
Never knew George was gay

Hoped they'd hook up one day

Wheres her fairy tale?

Wheres her dream?

Wheres the quarterback of her high school football team?

Wheres her fairy tale?

Wheres her dream?

How many times will she

Ask her

Self what

Happened to me

Ask her self what happened

Since Bruce Springstein

Madonna

Way before Nirvana

There was U2 and Blondie

And music still on MTV

Her two kids

In high school

They tell her that she's uncool

'cause she's still preoccupied

Woohoo x4

She hates time

Make it stop

When did Motley Crue become classic rock?

Shes hates time make it stop

She hates time

Make it

Make it

Make it

Make it

Make it

Make it STOP
