When I came home my stuff was on the lawn  
I thought she was happy, but I was wrong  
The note she left it took me by surprise  
Said I've turned into, some other guy  
The things she said that she gave up for me  
She says it was a waste of time

Guess I don't really know, what I was thinking  
Would've thought we would float, but we kept sinking  
Things were so good  
But you were in love, with some other guy  
He looked just like me, but I make you cry,  
You know I don't mean to, I'm just an asshole  
sometimes

I never saw myself as being alone  
And maybe that was my problem, 'cause now she's  
gone  
And I can't help but think of how things could be (how  
things could be)  
And I hope she's happy, happy with out me  
And all the things she gave up for me,  
I took for granted time after time

Guess I don't really know, what I was thinking  
Would've thought we would float, but we kept sinking  
Things were so good  
But you were in love, with some other guy  
He looked just like me, but I make you cry,  
You know I don't mean to, I'm just an asshole  
sometimes

And please don't think I'm complaining  
I was just happy to have her for a time  
And if you see her tell her I said  
?hello and that I'm doing just fine?

Guess I don't really know, what I was thinking  
Would've thought we would float, but we kept sinking  
Things were so good  
But you were in love, with some other guy

He looked just like me, but I make you cry,  
You know I don't mean to, no  
You know I don't mean to  
I'm just an asshole sometimes

Guess I don't really know  
I'm just an asshole sometimes  
Guess I don't really know  
I'm just an asshole sometimes  
Guess I don't really know  
Guess I'm an asshole sometimes
