Oh baby baby
How was I supposed to know
That something wasn't right here

oh baby baby
I shouldn't have let you go
And now you're out of sight, yeah

Show me how you want it to be
Tell me baby cause I need to know now

Because...
My loneliness is killing me
And I, I must confess I still believe
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time

Oh baby baby
The reason I breathe is you
And girl you've got me blinded

Oh pretty baby
There's nothing that I would do
It's not the way I planned it

Show me how you want it to be
Tell me baby cause I need to know now

OH because...
My loneliness is killing me
And I, I must confess I still believe, still believe
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time

Oh baby baby
How was I supposed to know
(How was I supposed to know)

Oh pretty baby

I shouldn't have let you go

And I must confess
that my loneliness is killing me now
Don't you know I still believe?
That you will be here
and give me a sign
Hit me baby one more time

My loneliness is killing me
And I, I must confess I still believe, still believe
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
