[verse 1]

It wasn't supposed to be like this  
Another dose of unhappiness  
I gave it all and managed to get shot down yet again  
So I got drunk  
Had sex with all your friends  
You told me to never call your house again

[chorus]

Emily, you saved the day  
Emily, when you threw me away

She was always such a pretty girl  
Nobody like her in the world  
A little piece of heavenly  
That no one else could stand  
I see her in my dreams at night  
I see you when I close my eyes  
I just can't seem to shake you, emily

[verse 2]

You got your money and I got cast  
Outside thrown out on my ass  
In the city with no one else, no where else to go  
So I hooked up with this model from singapore  
Emily, I sure am glad you didn't want me anymore

[chorus]

She was always such a pretty girl  
Nobody like her in the world  
A little piece of heavenly  
That no one else could stand  
I see her in my dreams at night  
I see you when I close my eyes  
I just can't seem to shake you, emily  
Yeah

Emily, you saved the day  
Emily, you saved the day  
Emily, you saved my ass
