Tuesday seemed like it was Thursday
Yesterday i came back down
Standing there
Just like the fool i know i'd become
I realize that i'm aware

Once again i see the sunshine, yeah
And i wipe the sleep out of my eyes
Well i wake up to find the world has not stopped turning
And i, and i am gonna be alright

And i lost way too much in you
Now i don't know what to do
Oh-oh-oh
I broke down
Just like i have so many times before
Now i see that nothing has changed
Oh-oh-oh
And lately things
Have turned around back where they were before
And i got too much on my mind
Mind...

Tuesday seemed like it was Thursday...Whoa
Yesterday i came back down
Standing there
Just like the fool i know i'd become
I realize that i'm aware

And i lost way too much in you
Now i don't know what to do
Oh-oh-oh
I broke down
Just like i have so many times before
Now i see that nothing has changed
Oh-oh-oh

And lately things
Have turned around back where they were before
And i got too much on my mind
Mind....
