From here to the stars,
With my candy bars,
Rides a kid
With a knack
For inventions.

A super-powered mind,
A mechanical canine,
He rescues the day
From sure destruction.

He's gotta save the world
And get to school on time,
So many things to do
And not much time

So off the ground,
Up in the air,
Out into the atmosphere,

Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!

No matter where you are,
You know he can't be far,
Watching the world
Through x-ray vision

And whenever he's around,
Where adventure can be found,
You know that Jimmy Neutron's
On a mission

He's gotta save the world
And get to school on time,
So many things to do
And not much time

So off the ground,
Up in the air,
Out into the atmosphere,

Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
Jimmy Neutron!
Who can we count on?
It's Jimmy Neutron!
