Into the stars
To buy candy bars
Rides a kid with
A knack for inventions
He's got a super powered-mind
A mechanical canine

He rescues the day
From pure destruction
He's gotta save the world
And get to school on time

So many things to do
And not much time
Oh so off the ground
Up in the air
Out into the atmosphere

Who can we count on?
Jimmy Neutron
Who can we count on?
Jimmy Neutron
Who can we count on?
Jimmy Neutron

No matter where you are
You know he can't be far
Watching the world
Through x-ray vision
And wherever he's around
Where adventure can be found
You know that
Jimmy Neutron's on a mission

He's gotta save the world
And get to school on time
So many things to do
And not much time
Oh so off the ground
Up in the air
And out into the atmosphere

Who can we count on?
Jimmy Neutron
Who can we count on?
Jimmy Neutron
Who can we count on?
Jimmy Neutron
Who can we count on?
Jimmy Neutron
Who can we count on?
JIMMY NEUTRON!!!
