Yeah yeah
Yeah yeah

Here's a nice song to a mean girl
I wish I'd never met
She's not an easy girl but an easy girl
I wish I could forget
I hope you're doing fine
Don't read between the lines
No I don't want you back
I miss your butt don't get me wrong

This is not a love song
And I swear it's true
I'm not into you anymore
This is my goodbye song
Baby hit the door, a syanara
And everybody sing along
This is not a love song

Yeah yeah

I know I'm mixed up
I need to grow up
And maybe see a shrink
I should just shut up
And throw my hands up
And have another drink
So you can walk away
There's nothing left to say
You're really good at that
We've got to separate
Guess I'll just masterbate
And think of you don't get me wrong

This is not a love song
And I swear it's true
I'm not into you anymore
This is my goodbye song
Baby hit the door a syanara
And everybody sing along

This is not a love song

Yeah yeah
Its not a love song
Yeah yeah

I hope your feeling better
Cause I heard that you were sick
I hope that you don't die
Cause that would really suck alot
And I should write a book about
The biggest scam there was in love
Title it "The Book of Us"
We can split the movie rights
No I'm keeping the movie rights
No you can't have the movie rights

This is not a love song
This is just my way of saying
I don't need you no more
Its just a rock song
Adios, hit the road, take a hike
Get your ass out the door

This is not a love song
And I swear it's true
I'm not into you anymore
This is my goodbye song
Baby hit the door, a syanara

And everybody sing along
You smell like King Kong
Sorry that came out all wrong
This is not a love song

Yeah yeah
Its not a love song
Yeah yeah
