I saw you there  
your long brown hair  
falling on your face the way it used to  
fall on mine  
at one time a long time ago  
i still remember everything you said to  
me that night

its to bad and its too late  
you were such a big mistake  
plese dont call me anymore  
i used to miss you

theres no surf in colorado anyway yeah  
and its a shame to hear your happy  
and you still look at me that way  
theres no surf in colorado anyway yeah  
she never waved to me or said goodbye  
one night she just left me and her behind

there she goes  
and no one knows  
what she does to my heart still  
shell never know  
how we speak  
across the room  
eye to eye shes holding him  
holding me soon

its to bad and its too late  
you were such a big mistake  
plese dont call me anymore  
i used to miss you

remember the first time  
god damn we got so high  
she held me so close that i thought  
that i might faint  
and now shes a mile high  
and im on texas time  
she traded rattlesnakes for bunny runs in colorado
