Is it okay  
If I speak to you today  
You've been pissed off for a week now  
With nothing I could say  
Could make you look up  
Or crack up  
Is there anything that I can do  
Anything to show you...

You're a bitch  
But I love you anyway  
Oh  
You can't sing  
But you still put me to sleep  
Baby  
You're a bitch  
Hey hey  
Hey hey  
You make me sick  
But don't ever go away

So you tell me that there's nothing left to say  
I drive  
You face the window  
Then you're in my face  
Tellin' me to grow up  
(oh oh)  
I wish you'd grow up  
(oh oh)  
I can't wait until you fall asleep  
I wonder if you know that...

You're a bitch  
But I love you anyway  
Oh  
You can't sing  
But you still put me to sleep  
Baby  
You're a bitch  
Hey hey  
Hey hey

You make me sick  
But don't ever go away

La la la la la  
La la la la la  
La la la la la

WHOA!!!!!!!!!!!!!!

You're a bitch  
But I love you anyway  
Oh  
You can't sing  
But you still put me to sleep  
Baby  
You're a bitch  
Hey hey  
Hey hey  
You make me sick  
But don't ever go away

Yeah  
You're a bitch  
But I love you anyway  
So why don't ya  
Stay
