8 o'clock Monday Night 'n I'm waitin'  
To fin'lly talk to a girl a LiL cooler than me  
Her name is Nona she's a Rocker with a Nose ring  
She wears a two-way and I'm not quite sure what that  
means

And When she Walks, All the wind blows and the  
Angles sing  
But she doesn't notice me

'Cause she's watchin' Wrestling  
Creamin' over tough guys  
Listenin' to Rap Metal  
Turn tables in her eyes

It's like a bad movie  
She's lookin' through me  
If you were me than you'd be  
Screamin' "Someone Shoot Me!"  
As I fail miserably  
Tryin' to get The Girl All The Bad Guys Want!

She likes the Godsmack and I like Agent Orange  
Her CD changers full of singers that are mad at their  
dad  
She said she'd like to score some Reefer and a 40  
She'll never know that I'm the best that she'll never  
have

And When she Walks, All the wind blows and the  
Angles sing  
But she doesn't notice me

'Cause she's watchin' Wrestling  
Creamin' over tough guys  
Listenin' to Rap Metal  
Turn tables in her eyes  
She likes 'em with a mustache  
Racetrack Season Pass  
Drivin' in a Trans Am  
Does a Mullet make a Man?

It's like a bad movie  
She's lookin' through me  
If you were me than you'd be  
Screamin' "Someone Shoot Me!"  
As I fail miserably  
Tryin' to get The Girl All The Bad Guys Want!

There she goes again with Fishnets on  
And Dreadlocks in her hair  
She broke my heart I wanna be sedated  
And all I wanted was to See her Naked!!

Now I'm watchin' wrestling  
Creamin' over tough guys  
Listenin' to Rap Metal  
Turn tables in my eyes  
I can't grow a mustache  
And I ain't got no season pass  
All I gots a moped (moped moped)

It's like a bad movie  
She's lookin' through me  
If you were me than you'd be  
Screamin' "Someone Shoot Me!"  
As I fail miserably  
Tryin' to get The Girl All The Bad Guys Want!

'Cause she's The Girl All The Bad Guys Want (fade to  
end)
