I wanna wake up in your arms
I wanna set off your alarm
I wanna break into your car
And I wanna take out your back seat
The one where you told me everything
I thought I always wanted to hear
The one where you told me that it's over

And every time you look in your rearview mirror
I hope you see me...
And all the stuff we did when we were back there
together..Uh Huh

I hope you like your Two Seater, No Radio
Key marks parallel to the Pinstripes
Windows broken you're T Tops stolen
Now it's one of a kind, Thanks for the Ride

I gotta get the hell out of dodge
I just spent the whole night avoiding the cops
I just don't think I'll go to the clink
Just 'cause I took out your backseat

Remember you told me everything
I thought I always wanted to hear
And that's where you told me that it's over

And every time you look in your rearview mirror
I hope you see me...
And all the stuff we did when we were back there
together...Uh Huh

I hope you like your Two Seater, No Radio
Key marks parallel to the Pinstripes
Windows broken, you're T Tops stolen
Now it's one of a kind, Thanks for the Ride

Can you hear your radio?
I bet you can't hear your radio
So you'll never know I wrote this song for you
Sorry that your tires are flat

I know you really weren't expecting that
I guess I got a little bit carried away

so when you look in your rearview mirror
I hope you see me there

I hope you like your Two Seater, No Radio
Key marks parallel to the Pinstripes
Windows broken your T Tops stolen
Now it's one of a kind, Thanks for the Ride
