Had to kiss you one more time
so i followed you home
And i almost lost you at the light
i've seen you a couple of times
But i had no idea
that you would be mine tonight

I was to meet another girl
but she didn't show
And you asked if i was alone, oh
The night came to an end
I had to kiss you one more time
so i followed you home, oh

I'm just a boy, i'm on the side
Yeah believe me i don't mind
I'm just a boy, not quite your type
That don't matter much tonight

Yeah you asked if you could call
but you didn't write it down
So i thought that we were through
And when you said "hello"
I could not believe
that i got a call from you

It's lik candy in a bag
you can put it on a shelf
It's there when you need a taste, oh

Sweetness makes you weak
Don't eat it everyday
Just don't let it go to waste, yeah

I'm just a boy, i'm on the side
Yeah believe me i don't mind
I'm just a boy, not quite your type
That don't matter much tonight

I'm not sure where i stand
You call me when you want me
And i'll take you out again, yeah

Hear ya got another guy
I guess it makes you happy
Call me a special friend

I'm just a boy, i'm on the side
Yeah believe me i don't mind
I'm just a boy, not quite your type
That don't matter much tonight

I'm just a boy, i'm on the side
Yeah believe me i don't mind
I'm just a boy, not quite your type
That don't matter much tonight
tonight, tonight...
