When I came home my stuff was on the lawn
I thought she was happy but I was wrong
The note she left it took me by surprise
Said, "I've turned into some other guy"
The things she said that she gave up for me
She says it was a waste of her time

Guess, I don't really know what I was thinking
Would've thought we would float but we kept sinking in
Things were so good
You were in love with some other guy
He looked just like me but I make you cry
You know I don't mean to
Just an asshole sometimes

I never saw myself as being alone
And maybe that was my problem
'Cuz now she's gone
And I can't help but think of how things could be
And I hope she's happy, happy with out me
And all the things that she gave up for me
I took for granted time after time

Guess, I don't really know what I was thinking
Would've thought we would float but we kept sinking in
Things were so good
You were in love with some other guy
He looked just like me but I make you cry
You know I don't mean to
Just an asshole sometimes

And please don't think I'm complaining
I was just happy to have her for a time
And if you see her, tell her I said
Hello and that I'm doing just fine

Guess, I don't really know what I was thinking
Would've thought we would float but we kept sinking in
Things were so good
You were in love with some other guy
He looked just like me but I make you cry
You know I don't mean to

You know I don't mean to
Just an asshole sometimes

(Guess, I don't really know)
Just an asshole sometimes
(Guess, I don't really know)
Just an asshole sometimes
(Guess, I don't really know)
Just an asshole sometimes
(Guess, I don't really know)
Guess, I'm an asshole sometimes
