I'm happy again  
To be stuck here again  
And you're so happy again  
To be stuck here again

Now we can rap about the good 'ol days  
Laugh at dumb jokes that you make  
It's great to be here and I'm just elated  
To be someone you once hated  
And it's all so complicated  
Maybe this time you can come outside your little world  
Makeout with another girl  
If it were up to me I'd like to

Buy you flowers every day  
Make every day a holiday  
Carry on and on and on about you  
And the things you do  
The things you do

I'm so sorry again  
You say you're leavin' me again  
Cause you're not happy again  
and i'm left stuck here again  
Now you can scream about the little things  
Slap me twice across the face  
Man it would be great if I could

Buy you flowers every day  
Make every day a holiday  
Carry on and on and on about you  
And the things you do  
The things you do  
(Alright)

If I could buy you flowers every day  
Make every day a holiday  
Carry on and on and on about you  
And the things you do

Me gustaria comprar de flores cada dia

Hace cada día una vacacion  
Y habla mas y mas y mas de ti  
De las cosas que haces

I just said I'd buy you flowers every day  
Make every day a holiday  
Carry on and on and on about you  
And the things you do  
The things you do....do....do....do....

O!
