Okay line up and look away  
Single file against the wall  
And please patiently wait  
And reapply the lines under your eyes  
And spray some more cologne  
Because I've only sneezed twice  
And hey, ho, well, what do you know  
It's fashionable now to wear your flip flops in the snow  
And alright you're gonna score tonight  
So game faces everyone

Cause it's amateur night, tonight  
Everybody get dressed up and pick a fight  
Drink until you just can't stand up and then drive home  
Go shake your booty like you just don't care  
Wear a button saying "Can I smell your underwear?"  
Please forgive me but I think I'm fine to just stay home

Wink wink can I buy you a drink?  
Are you from Tennessee cause you're the only ten I see  
And oh, dude, did you just see her boobs  
Like two pigs in a blanket and her butt was freaking  
huge  
And hey chum, the biggest rule of thumb is  
Don't forget your chapstick and gum

Don't forget your chapstick and gum

Cause it's amateur night, tonight  
Everybody get dressed up and pick a fight  
Drink until you just can't stand up and then drive home  
Go shake your booty like you just don't care  
Wear a button saying "Can I smell your underwear?"  
Please forgive me but I think I'm fine to just stay home

Just to clarify we played a game  
Get thrown out and then sneak back in  
Bop bop, do the bouncer at the end of the night.
