Oh no here we go,
here we go again
You were so afraid
you let me back in
Back in thru a door
you had long forgot
Its resistance is shot,
mine was not
But I waited..
my complicated, overrated girl
You know that I hated, we suffocated
and Overstated everything
Why can't you be bi-sexual instead of bi-polar?

Oh look there she goes
There she goes again
She keeps on checkin out
Checkin out her friends
I swear you'll never know
Know what's on her mind
Wish she'd given in
At least one time, Cuz

I waited..
my complicated, overrated girl

You know that I hated, we suffocated
and Overstated everything
Why can't you be bi-sexual instead of bi-polar?

Get up get up, whatcha doing in bed
I think it's all in your head
Get up get up, no don't sleep sunday morning
And there's a whole world around you gotta let in
Especially the girls, we all like the girls

I waited..
my complicated, overrated girl
You know that I hated, we suffocated
and Overstated everything
Why can't you be bi-sexual?
Why can't you be bi-sexual?

Why can't you be bi-sexual?
instead of bi-polar
