I walked along the avenue,
I never thought i'd meet a girl like you.
Meet a girl like you.
With auburn hair and tauny eyes;
The kind of eyes that hypnotise me through,
Hypnotise me through.

And I ran.
I ran so far away.
Couldn't get away.

A crowd appears above your head.
A beam of light comes shining down on you.
Shining down on you.
The crowd is moving near us still.
Aurora borealis comes in view.
Aurora comes in view.

And I ran.
I ran so far away.
I just ran, I ran all night and day.
Couldn't get away.

You started him to touch your face,
You're slowly disappearing from my view.
Disappearing from my view.

You started him to try again.
I'm floating in a beam of light with you.
A beam of light with you.

And I ran.
I ran so far away.
I just ran.
I ran all night and day.
And I ran.
I ran so far away.
I just ran.
I ran all night and day.
Couldn't get away.
