What's it mean to be alone now?
How's it feel to be by yourself?
You got me, I didn't get you back
Then you got me, again

You got inside through a hold in my defenses
And how you fit I'll never understand
But you got into me and I got into you
And now, I wanna do it again

How's it feel to know now?
What you think 'bout that?
You got me and now we can't go back
You'll never get me again

No, you got inside through a hold in my defenses
And how you fit I'll never understand
But you got into me and I got into you
And now, I wanna do it again

Only wanna dance with you
Only wanna dance with you

You go up down, turn around, merry go round and
round
Shake it shake it two times, dose doe cotten eyed Joe
Run around pull me down, never gonna come around
I'm never gonna forget you

You go up down, turn around, merry go round and
round
Shake it shake it two times, dose doe cotten eyed Joe
Run around pull me down, never gonna come around
I'm never gonna forget you

You got inside through a hold in my defenses
And how you fit I'll never understand
Yeah, but you got into me and I got into you
And now, I wanna do it again

Only wanna dance with you
Only wanna dance with you

Only wanna dance with you
Only wanna dance with you
