Verse 1:

This is my escape
I'm running through this world
And I'm not looking back

'Cause I know I can go
Where no one's ever gone
And I'm not looking back

But how will I know when I get there?
And how will I know when to leave?
We've all got to start from somewhere
It's like that for me
The possibilities are never ending

Chorus:

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

Verse 2:

And so we'll carry on
My time to shine has come
I feel it

As fast as I will go
Up to the top I'll go
You'll see it
(You'll see it)

So who's waking up when I get there?
It feels like I'm lost in a dream
I know in my heart that it's my time
And I already see
The possibilities are never ending

[Chorus]

Drop n? Stop
?Cause you've proven again
Now this is where
My journey begins

You'll lose speed, you're losing your flow
But inside is a power you'll never know!
Better let it out, it's inside you!
Better all step back, 'cause I'm coming through!

[Chorus x2]

(Endless Possibilities)
Endless Possibilities
(Endless Possibilities)
Endless Possibilities
