Verse 1:

This is my escape
I'm running through this world
And I'm not looking back

'Cause I know I can go
Where no one's ever gone
And I'm not looking back

But how will I know when I get there?
And how will I know when to leave?
We've all got to start from somewhere
And It's right there for me
The possibilities are never ending

Chorus:

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

Verse 2:

And so we'll carry on
My time to shine has come
I feel it

As fast as I can go
Up to the top I'll go
You'll see it
(You'll see it)

So please wake me up when I get there
It feels like I'm lost in a dream
I know in my heart that it's my time
And I already see
The possibilities are never ending

Chorus:

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

Bridge:

Drop that smile
'Cause you're beaten begins
Now this is where
My journey begins

You're losing speed, you're losing your flow
But inside is a power you'll never know!
Just let it out, it's inside you!
Ya Better all stand back, 'cause I'm coming through!

[Guitar solo]

Chorus:

I see it, I see it
And now it's all within my reach
I see it, I see it now
It's always been inside of me

I see it, I see it
And now it's all within my reach
Endless possibility
I see it, I see it now
It's always been inside of me
And now I feel so free
Endless possibility

Outro:
