Na na na na
Na na na na

It's funny how sometimes you get side-tracked
If this was that and a little jazz
But can ya blame me if I wanna be free to spread my
wings?
And sing a song to get myself off-track.

A sunny day can mean more than anything
It feels so good,
And it feels so good
To be me

Na na na na
Na na na na
Na na na na

Maybe someday I'm gonna look back
And say, "Hey, me, let's slow it down"
But right now I'm just rockin' along to my own steady
beat
And for now, I'm still landin' on both feet

A sunny day can mean more than anything
And it feels so good,
It feels so good
To be me

It feels so good to be (To be me)
It feels so good to be (To be me)
It feels so good to be so carefree
And maybe just a little bit crazy

It feels so good to be (to be me)
Na na na na
It feels so good to be (to be me)
Na na na na
It feels so good to be
Na na na na
It feels so good to be me
