[Verse 1:]

I've got the keys to the car
I'm goin out on an afternoon vacation
They all know where I'm gonna go

[Bridge:]

The sun is shining down and
There is no one else around now
Wish you were here to hear me say
This is gonna be my greatest day

[Chorus:]

How far would I go
How long would I stay
To see it all
To carry it all back with me again
How hard would I try
Just to hear everybody say
This is gonna be, my greatest day

[Verse 2:]

Standing here, looking out on the world
And for a second nobody is looking back at me
I never even notice where they go

[Bridge:]

The sun is shining down and
There's no one else around now
Wish you were here me say
This is gonna be, my greatest day

[Chorus:]

How far would I go
How long would I stay
Ta see it all
Ta carry it all back with me again
How hard would I try
Just ta hear everybody say
This is gonna be, my greatest day
