I used to see you every morning
Even when I didn't want to
Used to like to watch us play downtown
As long as I sang a song for you

But nothing stays the same
And it's driving me insane
Oh, you know we've got it so bad

And nothing you can say
Can make me want to stay
But still you're hanging on

Say, you never saw this comin'
So why does it always fall on you
I think you call me every time you see a phone
You hang up but I know it's you

But nothing stays the same
And it's driving me insane
Oh, you know we've got it so bad

And nothing you can say
Can make me want to stay
But still you're hanging on

Fuck it
[Incomprehensible]

And nothing stays the same
And it's driving me insane
Oh, you know we've got it so bad

And nothing you can say
Can make me want to stay
But still you're hanging on

Oh, you know we've got it so bad
Still you're hanging on
Oh, you know we've got it so bad
Still you're hanging on
