I see her out almost every night SheÃ,Â's with her friends, and IÃ,Â'm with mine Oh man she looks so nice (Break the ice)

Jet back hair and big blue eyes Gonna hate myself if I If I donÃ,Â't make my move (Get your grove)

(Ooh ooh) I brush my breath and spike up my hair (Ooh ooh ooh) Finally gonna make her mine tonight

(Shot down) Oh my god I just
(Fell down) She has got my
(Heart drowned) And I canÃ,Â't believe it
(Right there) For everyone to see it
(Shot down) Oh my god I just
(Fell down) She has got my
(Heart drowned) And I canÃ,Â't believe it
(Right there) For everyone to see it

So dashing, debonair My mum was right; I should have changed my underwear Another chance IÃ,Â've blown, walking home alone

I said Ã,'heyÃ,Â', she said Ã,'helloÃ,Â' Ã,'You wanna dance?Ã,Â' she said Ã,'hell noÃ,Â' But I still stood strong (For way too long)

I had her laughing there all night She said Ã,Â'youÃ,Â're such a funny guyÃ,Â' (But the biggest laugh he got was when he asked her for her number) [Speaking] ThatÃ,Â's actually trueÃ,Â...

(Ooh ooh) I brush my breath and spike up my hair (Ooh ooh ooh) Finally gonna make her mine tonight

(Shot down) Oh my god I just (Fell down) She has got my (Heart drowned) And I canÃ,Â't believe it (Right there) For everyone to see it (Shot down) Oh my god I just (Fell down) She has got my (Heart drowned) And I canÃ,Â't believe it (Right there) For everyone to see it

(Come on then, IÃ,Â'll drive you home)

IÃ,Â've had enough now (DonÃ,Â't let it get you down)
No IÃ,Â'm not angry; I just wish that she could see me
for myself
(Then can we ask her out?)
Do what you want, IÃ,Â'm not, itÃ,Â's done, thatÃ,Â's
through, IÃ,Â'm giving up
I think I might just get a cat

(Ooh ooh)
(Ooh ooh ooh)
(Shot down) Oh my god I just
(Fell down) She has got my
(Heart drowned) And I canÃ,Â't believe it
(Right there) For everyone to see it
