I was lost and down  
Before you turned my life around  
I never knew a love like this could happen  
And they said I was too young  
But when I turned 21  
You gave me hope that's everlasting

Now everything is going my way  
The sun's shining all around me  
Bells are ringing and the birds are singing now  
I wanna tell the whole world

Hooray For Beer!  
I'm really glad you're here  
Let's make this moment last  
You feel so right  
Wanna be with you all night  
Shout it out  
Hooray For Beer!

And sometimes when I wake  
You seem like a mistake  
My stomach's turning circles, my head is pounding  
But at 5 o'clock  
You say it's time to rock  
And I can't resist, I gotta be around you

Now everything is hunky dory  
The stars are shining all around me  
There's a happy ending to my story now  
I wanna tell the whole world

Hooray For Beer!  
I'm really glad you're here  
Let's make this moment last  
You feel so right  
Wanna be with you all night  
Shout it out  
Hooray For Beer!

I could hold you in my hands forever  
Or at least until you're gone

And then I'll order another one

Now everything is going my way  
The sun's shining all around me  
Bells are ringing and the birds are singing now  
I wanna tell the whole world

Hooray For Beer!  
I'm really glad you're here  
Let's make this moment last  
You feel so right  
Wanna be with you all night  
Shout it out  
Hooray!  
Hip hip hooray!  
Hooray For Beer!
