I'm on my way to west hall  
And I don't know  
What you're thinkin' when I show up  
You invite me in

I sit and stare at the walls  
Full of pictures  
Of the people and the places  
You hold dear

Sitting on the porch swing later  
Our fingers will be cold  
I could have used some chopstick  
But I found something better to use

You make me lose track of time  
For just an hour  
That we gained the night before  
Daylight savings time

Sitting on the porch swing later  
Our fingers will be cold  
I could have used some chopstick  
But I found something better to use

It all went by so fast  
I forgot  
Take a picture from a shoe box  
Before I go away
