Waves hit rocks and folks get wet
I was gonna say something but now I forget
Chocolate covered cherries with the milk on the side
I'll meet you at the party if I find a ride
Helicopters fly and birds like to nest
Elvis or the Beatles who cares who's the best? (Beatles)
Raleigh is the capital of North Carolina
Peanut butter sandwich with some Aunt Jemima

And If you were me
You'd probably see
What I'm talking about

Talk is cheap but I can't afford it
And counting sheep don't work anymore
My head is turning circles but I gotchoo, I gotchoo.
The coast is clear the view is distorted
Lots to do and I'm always bored
Nothing in my wallet but I gotchoo, I gotchoo.

Credit or debit with your super market basket
Bring your own tote no paper no plastic
In the sun or the rain always bring an umbrella
Get a lollipop from the pretty bank teller
Go cart track with a '57 Chevy
I carry my weight but I'm getting kinda heavy
Fuzzy Wuzzy was a fair, Fuzzy Wuzzy had no hair.
Fuzzy Wuzzy wasn't fuzzy wuzzy? Was he?

And If you were me
You'd probably see
What I'm talking about

Talk is cheap but I can't afford it
And counting sheep don't work anymore
My head is turning circles but I gotchoo, I gotchoo.
The coast is clear, the view is distorted
Lots to do and I'm always bored
Nothing in my wallet but I gotchoo, I gotchoo.

Sometimes you've gotta run and put your foot on the
pedal

Other times you've gotta stay and bring the metal
Doesn't matter to me, 'cause I've gotchoo, IGOTCHOO!

Talk is cheap but I can't afford it
And counting sheep don't work anymore
My head is turning circles but I gotchoo, I gotchoo.
The coast is clear the view is distorted
Lots to do and I'm always bored
Nothing in my wallet but I gotchoo, I gotchoo.

Talk is cheap but I can't afford it
And counting sheep don't work anymore
My head is turning circles but I gotchoo, I gotchoo.
The coast is clear the view is distorted
Lots to do and I'm always bored
Nothing in my wallet but I gotchoo, I gotchoo.
