Moving forward using all my breath
Being friends with you was never second best
And I saw the world crashin' all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you
You've seen the difference
And it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you

(You should know better)
Dream of better lives the kind which never hate
(You should see the world)
Trapped in a state of imaginary grace

(You should know better)
And I made a pilgrimage to save this human race
(You should see the world)
Never comprehending a race that's long gone by

(Let's stop the world)
I'll stop the world and melt with you
(Let's stop the world)
You've seen the difference
And it's getting better all the time

(Let's stop the world)
There's nothing you and I won't do
(Let's stop the world)
I'll stop the world and melt with you

The future's open wide

(Let's stop the world)
I'll stop the world and melt with you
(Let's stop the world)
You've seen some changes
But it's getting better all the time

(Let's stop the world)
There's nothing you and I won't do

(Let's stop the world)
I'll stop the world and melt with you

The future's open wide

I'll stop the world
I'll stop the world
I'll stop the world

I'll stop the world and melt with you
(I'll stop the world and melt with you)
You've seen the difference
And it's getting better all the time

(I'll stop the world and melt with you)
And there's nothing you and I won't do
(I'll stop the world and melt with you)
I'll stop the world and melt with you

I'll stop the world and melt with you
(I'll stop the world and melt with you)
I'll stop the world and melt with you
(I'll stop the world and melt with you)

I'll stop the world and melt with you
(I'll stop the world and melt with you)
I'll stop the world and melt with you
